

WIDE - WIDE - WORLD - VENICE. Series II.

Raphael Tuck & Sons' "Oilette" [Regd.] Postcard 7037

ART PUBLISHERS TO THEIR MAJESTIES THE KING & QUEEN.

By Appointment.

Venice, St. Mark's. In no other building perhaps in the whole world has there been lavished such costly material as in the composition of this church. Wondrous arches, mosaics, statues, columns and domes all blend together - making the building look like a Mohammedan mosque; in reality it is the joint production of the art of many generations in the erection of a Christian church.

Printed in England.
